• Select board Meetings – 3rd Tuesday – 6 pm (Everyone Welcome)

#### • Motor Vehicle Registration Information –

Re-registrations and Excise Tax payment can be processed at the Osborn Town office. New Vehicle Registrations can be done at a Motor Vehicle office or at the Waltham town office. The town of Amherst will also accept registrations for Osborn. Online - <u>https://www1.maine.gov/online/bmv/rapid-renewal/</u>

#### • Dog Licensing

Maine State Statute requires all canines be registered when they reach six months of age. Dog licenses expire on December 31, 2022. Dog licenses are available at the Town Office beginning in mid-October. A mandated penalty will be assessed if your dog is licensed after January 31<sup>st</sup>. Proof of rabies vaccination is required to register all dogs. Online - <u>https://www1.maine.gov/cgi-bin/online/dog\_license/index.pl</u>

#### Assessing & Property Tax Information

Osborn contracts with an out of town tax assessor, to set the value of all property as of April 1<sup>st</sup> of each year. **If you believe you qualify for a Homestead, Veterans or other exemption, you must file the application by April 1<sup>st</sup>**. The application can be obtained at the town office. **If you have removed a structure on your property, contact the town office, as this will be forwarded to the Tax Assessor.** Taxes are generally calculated by late summer and due on October 15<sup>th</sup> and March 15<sup>th</sup>, in two installments (subject to change, as approved by Town Meeting). If you purchase property after April 1<sup>st</sup> and before July 1<sup>st</sup>, a copy of the Tax Bill will be mailed to you, as the new owner, but in the name of the old owner. Information about property is contained on assessment tax cards, at the town office.

#### • Hunting & Fishing Licensing

Osborn is an agent for the Maine Department of Inland Fisheries and Wildlife for hunting and fishing licenses. These licenses are sold through the MOSES system, at the town office. Proof of prior hunting license or hunter safety course completion is required, prior to purchasing a license.

Online - https://moses.informe.org/

#### • Boats, ATVs and Snowmobiles

Registrations for all recreational vehicles are performed at the Osborn Town Office, through the MOSES system. Boat registrations expire December 31<sup>st</sup>. Snowmobile and ATV registrations expire June 30<sup>th</sup>. New registrations require a bill of sale and sales tax is collected at the time of registration, unless the vehicle was purchased from a Maine dealer. Online - <u>https://moses.informe.org/online/atv\_snow/</u> (ATV & Snow) Online - <u>https://www5.informe.org/online/boat/</u> (Boat)

#### General Assistance

Osborn administers a General Assistance program, as required by state law. Applications are available at the Town Office. The Select board, follow the towns ordinance to determine eligibility for assistance.

#### • Police, Fire and Ambulance

Any call for an emergency should go to **9-1-1**. The call is answered by the Hancock County Regional Communications Center in Ellsworth and forwarded to the appropriate agency. Law Enforcement services are provided by the Hancock County Sheriff's Department and the Maine State Police on a call sharing system. Osborn contracts with Capital Ambulance for transport services and the Town maintains its own Municipal Volunteer Fire Department, for fire suppression and rescue coverage. All outdoor burning requires a permit, which can be obtained by the Towns Fire Warden/Fire chief or deputy fire Warden. Online - www.maineburnpermit.com/

#### NON – Emergency Numbers;

Capital Ambulance (207) 945-9600 Hancock County Sheriff's Department (207) 667-7575 Maine State Police – (207) 973-3700 Maine Warden Service – (207) 941-4440

#### • Permits & Ordinances

Even though, Osborn is a small community in population, the necessity for some permits and ordinances are still required, some statutorily mandated and other

recommended to provide direction and uniformity. Osborn is not required to have a planning board, therefore contracts with LUPC (Land Use Planning Commission) for all building permits and zoning. Prior to any construction or development, a permit must be obtained.

A copy of the permit application can be found Online - maine.gov/dacf/lupc. or a copy is available at the town office.

For additional information contact;

Karen Bolstridge (207) 215- 4685 - Bangor LUPC office.

Failure to obtain permits or violations of various ordinances, carry substantial penalties. Additionally, when applying for a building permit for new residential constructions, contact must be made with the town office, at that time, to secure the proper address through the E-911 Addressing Officer.

#### • Volunteers & Appointed Officials

In order for a town to exist, numerous elected and appointed positions need to be filled. Some positions may not be glamorous or in the spotlight, but the expectations of a few individuals wearing all the hats, may not be statutorily possible or possible due to the demand on time. Contact the town office for the availability of "open" appointed or elected positions. Our Municipal Fire Department is all "Volunteer" and individuals are always needed and welcomed, in any capacity. Please, contact the town office, Fire Chief or any member of the Fire Department to express your interest in being a member of our Municipal Volunteer Fire Department.

## **GREETINGS FROM YOUR SELECT BOARD!**

This past year has been both busy and eventful. We would again, like to remind every tax payer of this town, that it is in their best interest to become involved in town affairs. The majority of our meetings are open to the public, and all of you are encouraged to attend.

We are sorry to say that one of our Selectmen resigned early this year. We will miss his extensive knowledge in managing town affairs.

Two years ago, taxpayers were asked to approve substantial funds for capital improvements to the towns infrastructure. We have been able to execute many of these projects to date, but we have many left to be completed. One of our more interesting projects that has been completed is the installation of an electronic sign, in front of our community center. This installation should keep everyone informed of normal and special events. We have taken on over 12 projects that are in various stages of completion. Most of these items carry quite a price tag. We were able to plan and execute all of this work without raising your taxes. Our proposed 2023/2024 mil rate will reduce your tax rate more than \$1.00/\$1,000.00 (1 mil) of appraised value, Good News!

All of us from your Select board wish to thank you for your continued support. We look forward to serving you next year.

## Municipal Fire Department Letter

Happy Summer and Happy Independence Day to the residents of Osborn from your Fire and Rescue Department. With summer now here with increased fire danger we would like to pass along a few tips to help everyone stay safe. Burn permits are required by state law for all open burning. They are for brush piles, wood debris and agricultural burns only. Burn permits are only valid after 5 pm and before 9 am. The only exceptions to these times if there is a steady rain falling or the ground is completely covered in snow. Exceptions can be made if you contact the fire department and we know that there will be enough resources during the day time if you run into trouble.

Burn permits are available in two ways. One is the online system accessed by going to "maineburnpermit.com". This is a free service. Burn permits are also available at no charge from the town fire warden, currently Kenny Silsby. You may also obtain one from the Assistant Fire Chief, Paul Caggiano. If there is increased fire danger a permit will not be issued. Please remember if don't have a permit you may be fined up to \$1000, plus if fire departments have to come and put it out you could have to pay restitution to any departments involved. If you are burning do not be surprised if the fire department asks to see your burn permit. If someone has smelled smoke or if they have seen a fire, they will be calling us to go check it out. If we know about your burn it saves us a lot of aggravation.

With the 4<sup>th</sup> of July coming up this is a reminder that only "consumer fireworks" can be bought or used in the state of Maine. Fireworks may only be used on your own private property or on someone else's property with their permission. So, if you are going to light fireworks, please do it safely, following all manufacturer's instructions and warnings. Make sure you have plenty of water available close by in case of fire. A fire extinguisher should also be available. You must be over 21 to buy or use fireworks. Be especially cautious when children are present.

From the rescue side of the department: if someone has an illness or injury that requires assistance you must call 911. Do not call fire department members directly. It is for your safety because then an ambulance can immediately be dispatched to provide a higher level of care if needed. This is necessary for us as well because we need to be able to officially document the call. Please be patient with RCC when they ask you questions. Answering the questions, they ask gets the appropriate help in the quickest way possible.

Just a reminder: If you see our Rescue vehicle and/or an ambulance in someone's yard, please understand we cannot give out any information. This includes names, what happened, diagnosis, etc. This information is protected by law under HIPPA. There would be serious repercussions for violations of this law.

If anyone would like to help us out we can use help in the winter shoveling snow, volunteering to wash our vehicles. Thank-you to former Chief Bruce Weymouth for coming and helping put up ladder hangers. Much appreciated. Have great summer. Stay safe, be careful and stay hydrated. Bret, Paul, Millie, Zach and Alexa

#### TO THE RESIDENTS OF OSBORN

#### GREETINGS,

Scott A. Kane

Sheriff

Each year, the Sheriff's Office provides documentation to communities which are a snap shot of law enforcement activities. Enclosed is a general list of complaints and calls for service that the Hancock County Sheriff's handled in Osborn in 2022. This does not include calls that were handled by the Maine State Police during the same time period per our call sharing agreement.

I encourage citizens to call our office if you have any concerns about any suspicious, criminal, or drug activity. We always need your help to do our job. No complaint is too small, so please contact us and together we can make all of our communities a safer place to live and raise a family.

#### INDEPENDENT AUDITOR'S REPORT

Members of the Board of Selectmen Town of Osborn Osborn, ME 04605

#### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities and each major fund of the Town of Osborn, Maine (the Town) as of and for the year ended June 30, 2022, including the related notes to the financial statements, as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Town of Osborn, Maine as of June 30, 2022, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for out audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the Unites States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statements date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

295 Main Street \* P.O. Box 889 \* Ellsworth, Maine 04605 \* wadmancpa.com

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, and design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
  appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of
  the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting
  estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise
  substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3 through 6 and page 17 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The accompanying supplementary information is presented for purposes of additional analysis and are not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements themselves, and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Respectfully Submitted,

James W. Wadman, CPA

- 22. Motion to Adjourn.

STATE OF MAINE OFFICE OF THE GOVERNOR I STATE HOUSE STATION AUGUSTA, MAINE 04333-0001

Dear Friends:

For four years it has been my privilege to guide our great state, working with the Legislature to keep Maine people safe and put our economy on a path to recovery.

Since the arrival of the COVID-19 vaccines in December 2020, we have worked hard to get as many shots into the arms of Maine people as quickly as possible. Since the COVID-19 vaccine became available, more than a million Maine people have gotten fully vaccinated from COVID-19. It is thanks to them that our state has one of highest vaccination rates and one of the lowest death rates from COVID-19,despite having a much older population than other states. People are coming to Maine because we are one of the safest states in the nation.

Following the recommendations of the Economic Recovery Committee, our economy has not only fully recovered, but has surpassed pre-pandemic projections and unemployment claims have dropped to pre-pandemic levels. And, last year, I was pleased to sign a balanced, bipartisan budget that finally achieves the State's commitment to 55 percent education funding, fully restores revenue sharing, and expands property tax relief for Maine residents.

Maine can be proud of our nation-leading progress, but our work is far from done. Through the Maine Jobs & Recovery Plan, we will continue to address our longstanding workforce shortage, the expansion of broadband, education and job training opportunities, housing, child care, and transportation. Drawing on the hard work and resilience of Maine people, together we will rebuild our economy and rise from this unprecedented challenge a state that is stronger than ever.

In 2022, we focused on our economy, on our climate, on our kids, on keeping people safe and on the health and welfare of all Maine people. We have persevered, and, while challenges remain, we will get through them together. I am proud of the people of Maine, and I am proud to be your Governor.

Thank you,

22 Janet T. Mills

Governor

Dear Friends:

It is an honor to represent Maine in the U.S. Senate. I am grateful for the trust that Mainers have placed in me and welcome this opportunity to share some key accomplishments for our state.

Last year, I secured more than \$500 million for 285 projects from Aroostook County to York County that will promote job creation, workforce training, and economic development; expand access to health care; improve public safety, infrastructure, and community resources; and protect our environment. To address the crisis of soaring inflation and high energy prices, I led efforts to provide \$2 billion in supplemental funds to the Low-Income Home Energy Assistance Program. In the new Congress that begins in 2023, I expect to be the Vice Chairman of the Appropriations Committee and will continue to champion investments to support Maine's communities and families.

Strengthening our economy and supporting good jobs remain a top priority. Along with the Governor and the rest of the Maine Delegation and the associations representing the lobster industry, I worked to protect our hardworking lobstermen and women by pausing for six years the onerous federal regulations that jeopardize our lobster fishery's very existence. Another ongoing threat to Maine's small businesses is the shortage of workers. That's why I led an effort to push the Administration to nearly double the number of H-2B visas that are critical to our hospitality industry. Additionally, when the Administration proposed to cut the construction of a destroyer to be built by Bath Iron Works, I restored this funding to protect Maine jobs and our national security.

When Maine Veterans' Homes announced last year that it planned to close its facilities in Caribou and Machias, I opposed that decision which would have had such a devastating effect on rural veterans and their families. I am glad that the decision was reversed, and I have secured \$3 million to help with upgrades to these facilities. My *AUTO for Vets Act* also became law, which will help disabled veterans maintain their independence by supporting the purchase of a new adaptive vehicle once a decade.

This past year, Congress demonstrated how effective it can be on behalf of the American people when both parties work together. A few of the bipartisan achievements that I was involved in include the *Respect for Marriage Act*, which will provide certainty to millions of loving couples in same-sex marriages while protecting religious liberties, and the *Electoral Count Reform Act*, which establishes clear guidelines for our system of certifying and counting electoral votes for President and Vice President.

No one works harder than the people of Maine, and I have honored that work ethic by showing up for every vote. During my Senate service, I have cast more than 8,500 consecutive votes, never having missed one. I remain committed to doing all that I can to address your community's concerns in 2023. If I may be of assistance to you in any way, I encourage you to contact one of my six state offices.

Sincerely,

Junan M Collins

#### Jared Golden Congress of the United States 2nd District of Maine

Dear Friends,

I hope this letter finds you safe and well. It's an honor to continue serving as your representative in Congress, and I take the responsibility very seriously. I appreciate the opportunity to update you on what I've been working on behalf of the people of the Second Congressional District.

In August, I voted for the *Inflation Reduction Act* because it represented a dramatic turnaround from misguided efforts to pass sweeping, ill-designed legislation that tried to accomplish too many things through budget gimmicks, setting up problematic fiscal cliffs in numerous programs and refusing to make the difficult decisions to allow for a fiscally responsible bill.

The Inflation Reduction Act, which was signed into law by the president, was fiscally responsible and targeted four key priorities: reducing our national debt and putting our country back on a more sustainable path, lowering the cost of prescription drugs, and making health care more affordable, investing in an all-of-the-above energy strategy to significantly increase oil, gas, and renewable energy production to lower energy costs for Americans, and cracking down on the tax avoidance of billion-dollar multinational corporations. This bill was the first major legislation in the last decade to use the reconciliation process to create a fiscally responsible budget to reduce deficits. The Congressional Budget Office estimated it would reduce deficits by approximately \$300 billion.

As a member of the House Armed Services Committee, I also helped pass the Fiscal Year 2023 National Defense Authorization Act, which among other things, included key wins for Bath shipbuilders, UMaine, and servicemembers and their families. For shipbuilders, the bill secured authorization for a third DDG-51 destroyer; established a new contract for up to 15 DDG-51 destroyers over the next five years, many of which will be built at Bath Iron Works; and included funding for shipyard infrastructure. The bill also authorized over \$25 million for defense research programs, including UMaine's large-scale manufacturing program. Finally, the bill authorized a 4.6% pay increase to help servicemembers and their families deal with rising costs due to inflation.

Additionally, at the end of 2022, Congress passed a spending bill to fund the government through September of 2023. The bill funds nearly \$27 million in funding for community projects across the Second Congressional District, a lifeline for our lobster industry that freezes any regulatory action for at least six years, and secures millions in additional funding for the Low Income Housing Energy Assistance Program (LIHEAP) to help Mainers heat their homes.

Regardless of the year, one of my top priorities is ensuring I'm accessible to you. My staff and I can help answer questions about and navigate federal programs; find resources in Maine; and resolve issues with Medicare, Social Security, the VA, and other federal agencies and programs. We are here to help:

• Caribou Office: 7 Hatch Drive, Suite 230, Caribou, ME 04736. Phone: (207) 492-6009

• Lewiston Office: 179 Lisbon Street, Lewiston, ME 04240. Phone: (207) 241-6767

• Bangor Office: 6 State Street, Suite 101, Bangor, ME 04401. Phone: (207) 249-7400

I look forward to building on momentum from recent legislative wins for Mainers and continuing to work on your behalf in 2023. Do not hesitate to reach out and voice an opinion on legislation, let us know about local events, or seek assistance navigating federal agencies or programs. It's an honor to represent you in Congress, and I wish you a healthy and prosperous year to come.

Respectfully,

Golden

Jared F. Golden Member of Congress

#### January 1, 2023

#### Dear Friends,

I've often thought that Maine is just one big small town connected by long roads. Well, in the past year or two, those roads have gotten steeper and bumpier as we dealt with an unprecedented pandemic and the resulting economic troubles.

As we faced the historic challenges, something impressive happened. We came together and lent a hand to our neighbors wherever we could to keep things running and spirits high.

Down in Washington, Congress tried to help Maine communities get through this struggle, so that our state would come out stronger. To do that, we put in the work and set some things into motion that are already helping Maine people. That's why you hired us, after all.

The pandemic made something we'd known for a while clear: those roads and networks that connect our big town needed repair, improvements, and expansion – from bridges to broadband. So, while Maine was uniting towards a common purpose, Congress came together to pass the *Bipartisan Infrastructure Law* – legislation that makes generational investments in physical infrastructure, broadband connections, harbors, and the energy grid. These efforts will lay the foundation for Maine's 21<sup>st</sup> century economy and make sure even the most rural areas aren't left behind.

Over the last two years, as we drove up and down our state, you couldn't help but see storefronts in trouble and prices rising as the economy struggled through a global recession. And again, while you focused your efforts on getting through the difficult times, Congress took meaningful action. We passed the *American Rescue Plan* in 2021, which enabled Governor Mills and the state of Maine to better meet the health and economic difficulties of the pandemic. At a critical moment it expanded healthcare efforts to confront COVID and invested in the state to keep the economy in far better shape than most others nationwide.

Congress didn't stop there. This year, we took even more concrete steps to cut costs, create jobs, and provide more affordable, cleaner energy. The bipartisan *CHIPS Act* will bring home the manufacturing of the technical components known as "chips" that are used in everything these days – from smartphones to microwaves to cars – and in doing so reduce prices and create good American jobs. We also passed the *Inflation Reduction Act (IRA)* to lower healthcare costs, allow Medicare to negotiate drug prices, and cut energy bills with new rebates for things like heat pumps and solar panels.

Beyond these major investments, we also passed vital legislation to improve the day-to-day lives of Maine people and Americans nationwide. On a bipartisan basis, we expanded health care for veterans exposed to toxins, strengthened protections for marriage equality, supported Ukraine as it fought off a bloody Russian invasion, secured our elections and the peaceful transfer of power, and delivered millions in federal investments to projects up and down our state.

So, as Maine worked to get through hard times, Congress took steps to support our state – and we're already starting to see brighter days ahead. I'm proud to have played a small part down here; it's a true privilege to listen to you, work with you, and build a brighter future for all the incredible people up and down the roads that connect our big small town. Mary and I wish you a happy, and safe 2023.

Best Regards. ANGUS S. KING. JR

United States Senator
