Osborn, Maine 04605

**Here is Osborn!!!
and other Society Items**

Potluck Lunch and Annual Business Meeting to Follow

The community "Spring Fling" day was a very good day and a great time despite showers in the forecast. Many hours were put into planning the event and \$765.00 was raised for the cemetery association. Winners of the silent auction are Michelle Cote, Danyell Taylor, and Ken Silsby. Thank you to the following: Lucy Q's Food Truck and The Darling's Ice Cream Truck for providing some amazing food; The Osborn Fire Department (Paul & Millie), Aurora Volunteer Fire Department Inc (Angel & James Dunning), Waltham Fire Department (Rob Jordan), and Jack Jones for their participation in the touch-a-truck; To Bret Achorn and Jimmy Barns for providing live music; To Kenona Farms (Kenny and Arnona Silsby) for opening the barn to allow the community to pet the baby goats and holding a yard sale; P.R. Woodworking and Sweet Ass Farms for selling some amazing product; To Faith at What's for Suppa? Food Pantry for making the popcorn and having an information table. We hope that future events will grow and see more participation from Osborn community members.

- 1 What did the pig say on a hot summer day? I'm bacon.
- 2 What do you get when you combine an elephant with a fish? Swimming trunks.
- 3 How can you tell that the ocean is friendly? It waves.
- 4 What did the sand say when the tide came in? I'm shore glad to sea you!

LAND USE PLANNING COMMISSION

DEPARTMENT OF AGRICULTURE, CONSERVATION & FORESTRY

PRESORT
FIRST-CLASS
U.S. POSTAGE PAID
PERMIT NO. 2
AUGUSTA, ME

Planning to Build a New Accessory Structure?

New Rules Apply!

Accessory Structures are allowed in most zones without a permit but must meet the Land Use Planning Commission's (LUPC) rules, which were updated recently.

What's new? Property owners must now submit a self-verification notice to the LUPC before construction. The notice process will tell the Commission a little about your project, verify that it meets the rules, and let you know if a permit is needed.

See the other side of this postcard
for more information.

For more information, please contact

Morgan Prentice – Bangor LUPC office

207-215-4685 or

Morgan.Prentice@maine.gov

Accessory Structures

What are they?

The term "Accessory Structures" can include garages, decks, porches, stand-alone solar installations, sheds, and other similar structures.

Provide a Notice to LUPC

There is an online form to make it easier for property owners to notify the LUPC. You can also request a paper copy of the notice form.

Visit www.maine.gov/dacf/lupc/accessory for more information.

You'll Need to Verify...

- What you are building,
- Where it is located, and
- That your new structure will meet the rules.
